

Facilitator Pro Forma

Here at Wellbeing Enterprises CIC, we are on the look out for freelance facilitators and voluntary, community and social enterprises to work with to co-design and co-develop a range of social prescribing courses. We want to hear from facilitators of any kind, so whether you lead arts and crafts groups, dancing and music lessons, beatboxing, spoken word and poetry groups – get in touch! The sky truly is the limit, so if you're passionate about using your skills and talents to improve the health and wellbeing of others, we're passionate about working with you!
