

Wellbeing Enterprises CIC Job Description and Person Specification

Job Title: Wellbeing Link Worker
(Part time)

Salary: Salary: £27,350 (pro-rata,
permanent contract)

Hours: 25 hours per week

Office location: Halton

Responsible to: Services Manager

Purpose of post:

Wellbeing Enterprises (WE) is expanding its team and is recruiting a part-time Wellbeing Link Worker to work with cross sector partners to provide one-to-one personalised support to people who self-refer or are referred to them.

The post-holder will work across Cheshire and Merseyside helping people to take control of their health and wellbeing by giving time to focus on 'what matters to them'. Wellbeing Link Workers build trusting relationships with people, create a shared Personalised Wellbeing Plan (PWP) and connect people to local, diverse and culturally appropriate community groups, voluntary, community, faith and social enterprise (VCFSE) organisations and services. You will also work with a diverse range of partners to support efforts to tackle the wider determinants of health. You will support people via our telephone support service and in person in clinical, community and home settings.

This role helps people to work on their wider health and wellbeing, specifically addressing practical, social and emotional challenges and the wider determinants of health, such as loneliness, money worries, poor housing and physical inactivity, as well as other lifestyle issues and low-level mental health concerns.

You must be a good listener, have time for people and be committed to supporting local communities to care for each other. You should have experience of working positively with people facing complex practical, social and emotional challenges. You will have excellent interpersonal skills in supporting people, community groups and local organisations.

You must be a problem solver and someone who can use your initiative to bring about positive outcomes. You will have a key role helping the organisation to achieve its social objectives. We are looking for people who can communicate effectively at all levels of seniority, and who take responsibility for bringing about positive change and who are committed to learning and improvement.

The postholder will work with people from different cultural and social backgrounds. The ability to work confidently and effectively in a diverse, and sometimes challenging environment is essential. This is a rewarding job for those who are interested in working with people to help them overcome their challenges, build their strengths and capabilities, and move forwards in their lives.

Key responsibilities:

Wellbeing Link Worker(s) will:

- Undertake holistic assessments of needs and strengths, devise personal care and support plans and connect people to local, diverse and culturally appropriate organisations.
- Work in partnership with people to help them take control of their health and wellbeing by giving time to focus on 'what matters to them'.
- Actively participate in multi-disciplinary team meetings and collaborate with professionals to ensure joined up support for patients.

- Address wider determinants of health such as poor housing, loneliness, physical inactivity as well as other lifestyle factors and low-level mental health concerns by increasing people's active involvement with their communities.
- Work collaboratively with a wide range of VCFSE organisations locally and regionally and connect patients to their support offers.
- Deliver educational and social inclusion opportunities for people which develop capabilities, life skills and social connections.
- Support local and regional efforts to address the wider determinants of health by participating in projects and initiatives, community support networks and community wealth building.
- Uphold Wellbeing Enterprises core values: People Power, Positive Places and Productive Partnerships.

The details contained within this job description reflect the content of the job at the date it was prepared. However, it is inevitable that, over time, the nature of the job may change. Existing duties may no longer be required, and other duties may be gained without changing the general nature of the post or the level of responsibility entailed.
